# ULTIMATE HANDLING AND RIDE COMFORT

Suspension springs by ABSEL are manufactured using cold winding technology from 54SiCr6 steel and fully comply with the European quality standard EN 10089 , ensuring high quality and durability.

The springs guarantee excellent handling and ride comfort for your vehicle, providing both comfort and safety on the road. By utilizing advanced technologies and high-quality materials, ABSEL springs are resistant to wear and corrosion, significantly extending their service life.

By choosing ABSEL suspension springs, you are opting for a reliable and efficient solution for your vehicle that meets the highest quality standards.
